### ➤ **About College**

Shri P.K.M. College of Technology & B.Ed. commonly known as P.K.M. College is a prestigious institution that has been providing quality education since 2001.

Our college offers a wide range of undergraduate and postgraduate courses including M.COM, B.COM, B.B.A., P.G.D.C.A., B.SC., and B.Ed.

We strive to provide our students with a holistic education that not only focuses on academic excellence but also on personal and professional development.

Our dedicated faculty members are highly qualified and experienced in their respective fields, ensuring that our students receive the best education and training possible.

We also have state-of-the-art facilities and infrastructure, including well-equipped classrooms, laboratories, and libraries, to provide our students with a conducive learning environment.

At P.K.M. College, we believe in providing our students with practical learning experiences, and we organize various co-curricular and extracurricular activities throughout the year to help our students develop their skills and talents.

We also offer placement assistance to our students, ensuring that they are well-prepared for their future careers.

## ➤ **About Social Initiative:**

**In the year 2015, a faculty member and student committee of P.K.M. College started this activity to distribute food products to the needy, poor and disabled people living in the nearby Junagadh city.**

Basically the idea was to shape the social skills of the students and develop the spirit of donating things. The idea was also to make students empathize with the underprivileged sections of the society.

In this activity 2 faculty members supervise the entire work with teams of students studying in different departments of the college like; B.Com, B.B.A., B.C.A., B.Sc. and M.Com.

**Teams of students are assigned to prepare different food items as per the plan. Food menus are prepared to suit the health and taste of children, disabled and elderly. Basically, they prepare a full plate of lunch.**

The required raw materials are purchased by the team members days before the activity. Gas stove and other necessary utensils have also been arranged along with it.

**On 26<sup>th</sup> of January, after the flag hoisting ceremony and cultural event; all the teams of students prepare the food items assigned to them as per the menu decided.**

Meal preparation starts in the morning and is completed by 12 noon. Then, all the food items are packed and prepared for distribution.

Finally, different teams assigned to different organizations go with the food and distribute it to the assigned locations.

**Some severely and disabled children are fed by the students themselves.**

They spend some time with them and leave by 5 pm.
